House of Patels launches real estate arm in Dubai

House of Patels, one of India's leading business conglomerates, who also owns part of Wall Street Exchange, has launched their real estate arm in Dubai, the Wall Street Property.

The company is marketing major Dubai properties such as Burj Dubai Lake Hotel, Dubai Mall, The Boulevard, The Residences and The Old Town among other landmark projects spread across the Palm, Business Bay and other major locations.

Wall Street Property is the property arm of 50 years old group - House of Patels, which is a multi million-dollar conglomerate with interest in diversified fields including Transportation, Logistics, Finance, Constructions, Courier and Real Estate Developments.

With net assets of well over US\$200 million and market capitalization of US\$500 million, the Group company is listed on the Indian Stock Exchange and is now strengthening its position as a leading Property Marketing company by focusing on the core business of marketing properties globally.

'We have launched Wall Street Property to aggressively pursue the vast real estate opportunities existing in the UAE and across the region. Currently we are looking at two promising markets UAE and India. Our strategy will focus on selling residential, commercial, retail and leisure projects. The launch of this new arm will take investment opportunities in real estate to a new and exciting level,' says Mr. Asgar Shakoor Patel, Chairman of the House of Patels.

The company is also tapping into the Indian property marketplace, which is also witnessing a major real estate boom. The company will be showcasing a great opportunity for the Indian community to own properties in India. The company will sell projects in major Indian cities such as Bangalore, Pune, Calcutta, Chennai, Hyderabad, Mumbai, Delhi among other key cities.

'Buying and selling property is a real challenge these days and devoting time to finding out the best one is even more challenging. With Wall Street Property we aim to make property purchase process effortless with the help of our specialized teams located worldwide. We provide advice and strong support services to a wide range of commercial and residential clients including developers and investors. We have a wide range of properties in Jumeirah Beach Residences, Dubai Marina, International City, Springs, Meadows, Greens, Business bay among other developments.' said Mohit Gupta, CEO of Wall Street Property.

The Group company has own offices in United Arab Emirates, USA, UK, Canada, India, Hong Kong, New Zealand and have active agents network and representatives in more than 80 countries. With experience of more than 5 decades the company has gained many high profile clients, which includes landlords, investors and organizations, both local and international.
