

A very pleasant affair

Arif Patel, Asghar Patel, Ali Asghar Mir and Mohammed Tariq.

Kahkashan Patel and Lovita Tariq with Mrs Agarwal and Mrs Uttamchandani.

The ambience was as warm and friendly as the crowd. Asghar Patel of Wall Street was at home to close friends to welcome his son Arif and daughter in law Kahkashan to Dubai on a visit from Mumbai. Spotted during the evening were Ikon's Ali Asghar Mir and his lovely wife Bashi. Air India's Ratan Bali was there and former squash champion Arif was the perfect host as he and his father exchanged some fun banter. Arif now runs Patel Roadways in what is arguably the largest surface transport organisation in the subcontinent. Also seen catching up with friends was Jasjit Singh Jaaj in animated conversation with Mohammed Tariq and his wife Loveeta. Spotted the Sudesh Agarwals and Vineeta Uttamchandani and also Rakesh and Joyce Misra, with Joyce contributing her charm to the evening. Looking decidedly fetching was Beena Khan.
